07	Procurement Method	Least Cost Selection (LCS)
08	Budget and Source of Fund	Telepsychiatry Research and Innovation Network Ltd own fund and TRANSFORM research grant
INFORMATION for Applicants		
09	Brief Description of Assignment:	Telepsychiatry Research and Innovation Network is conducting a research in collaboration with University of Warwick and University of Ibadan Titled "Transforming Access to care for serious mental Disorders in slums -The Transform Bangladesh., funded by NIHR. Recently we have successfully completed our Work Package-1. That was the qualitative part of our study. On WP-1 we have conducted in-depth interviews and Naturalistic Group Interview from Korail slum, those interviews were transcribed in Bangla. At this stage we are expecting expression of interest from individuals who can give us the service of translating the interviews within 14 working days. In this regard we are expecting to work with persons who have experience and expertise in translating documents from Bangla to English. They have to transcribe and translate the collected interview by following proper guidelines with strict confidentiality.
